Retread Contract Let US441

A bid was received in Tallahassee Wednesday for retreading the old road between Canal Point and Belle Glade (US441) starting at the Hillsboro canal bridge in Belle Glade and running through Pahokee to the intersection with SR-700 (US98) in Canal Point.

A letter from the State Road Department to this newspaper a year ago last January said that the road would be retreaded in the 1964-65 budget but it never happened. Citizens are hopeful, now that the contract has been let, that work will start in the not too distant future.

RDB Okays State Park At Pahokee

Amos Jackson, president of the Resources Development Board of Palm Beach County sent the following letter of endorsement for the lakeside park in Pahokee to N. E. Miller, state park director, and Governor Haydon Burns. The letter was as follows:

"The Resources Development Board of Palm Beach County at its regular board of directors meeting on April 8, 1966, went on record as endorsing the need for a lakeside state park at Pahokee, Palm Beach County, Florida.

This expression of the board does concur with those organizations who are endeavoring to bring a state operated picnic, camp and recreation center to the banks of Lake Okeechobee at Pahokee, to provide facilities to residents and visitors alike.

We feel the desirability of this development to be in the interest of this area and as another link in the chain of fine state operated parks in Florida."

The Pahokee Chamber of Commerce had word that Mr. Miller is to meet with K. C. Mock and the other developers on May 11 to make final plans for the park and to find out how much the cost would be for water and sewer service to the facility. In June, the plans will be submitted to the Florida Outdoor Planning Committee for their approval and finally to the State Cabinet before construction of the park can begin.

In an unprecedented run-off election vote on Tuesday of this week Charles M. (Sonny) Brown was elected chief of police of Pahokee over Chief Guy Wood by the vote of 603 for Brown to 490 for Wood. Immediately following canvass of the votes by the council, the new chief was sworn in and took over duties of the office.

At the council meeting following the election the newly elected councilman, Lee C. Parker was also sworn in. He defeated Bob Hatton in the run-off election 569 to 516. Councilmen Oscar D. Brown, Curtis Miners and A. J. Gamot were sworn in following the first election last week. They will meet in regular session next Monday night and at that time elect a president of the council and assign various duties to the council members.

Chief Brown, as one of his first actions on Wednesday morning issued the following statement: "I wish to thank the many fine folks who were kind enough to consider my candidacy in the run-off election Tuesday. I sincerely appreciate the vote and support of each and every one. I plan to operate the police department economically, business-like and in an impartial manner."

Commenting further during his first day in office the new chief continued: "I have already been to the office of Lt. Tindall of the Sheriff's Department at the Glades Office Building and we agreed upon complete cooperation between his department and the Pahokee police department. Our department will also work closely with the Florida Highway Patrol and all other law enforcement agencies."

Chief Brown said that personnel of his department would remain as it has been with one or two exceptions. He said the following men would be alert and ready to serve the people of Pahokee: Sgt. B. C. Patterson, and the following patrolmen: Howard Barrett, J. C. Norwood, Wesley Sizemore, Jackie Jarnagan, Pete Wessell, James Feltner. In the Negro section, of Pahokee the following patrolmen will continue on duty: Van Buren Jackson and Edwin Gray.

Investiture ceremonies for Sylvia Yates and Retanna Winters was held at the last meeting of Brownie Troop No. 226 in Pahokee. Eleven other girls who are Karia Bennett, Cyndy Dobrow, Lucy Gore, Cindy Hawk, Donna Lewis, Laura McDowell, Phoebe Mills, Peggy Pell, Joanna Rawls, Mary Nell Spooner and Kay Williams, participated in the Fly-Up ceremony.

All meetings of the Brownies begin with the pledge of allegiance to the Flag, Brownie promise and national anthem.

Some of the activities of the Brownies during the year were reviewing their handbook with each Brownie reciting. They read the story of Brownies, sold calendars, made witches for Halloween, turkeys for Thanksgiving made note holders with a Santa on the front and had a Christmas party. The girls also went on a cook-out at the Canal Point Park, made Valentines and with the help of their leaders, Mrs. Eva Spooner and Mrs. Blanche Hawk, wrote a play, "The Brownie Story." The girls worked hard on the play and all the Brownies were in the cast and presented the play at the last meeting with mothers and friends as guests.

A visit to the Coca-Cola Bottling Plant with a guided tour by the manager and making bud vases for Mothers was also on the list of things the Brownies did during the year.

A message from the Treasury of a free people

How to speak out for freedom today

Free men have never gone in much for silence. Even before the first thirteen States became United States, men were speaking for freedom loud and clear.

Today Americans speak out for freedom many ways—in Congress, in local government, in neighborhood activities. Some speak out for freedom in other languages, in other lands. And millions of Americans speak out for freedom every time they buy U.S. Savings Bonds.

Every Savings Bond you buy is an investment in freedom. While you're saving money for your

own family's future, you're helping Uncle Sam tend to the business of keeping men free today.

Perhaps you don't speak out for freedom in the same tone of voice when you buy a Bond as Patrick Henry did in his famous speech. But you speak every bit as surely. And every bit as proudly.

Why not speak out for freedom now? Buy Bonds at the bank or on the Payroll Savings Plan where you work.

Keep freedom in your future with
U.S. SAVINGS BONDS
